

**TITLE; NO BLANK LINE BETWEEN THE TITLE AND THE PAPER TOP MARGIN
CAPITAL LETTERS; PAGE-CENTERED; MAX. 2 LINES/70 TOTAL CHARACTERS**

Forename Surname, Nanjing Hydraulic Research Institute, jgzhang@nhri.cn
Forename Surname, Nanjing University, cjliu@nu.edu.cn

PREPARATION AND SUBMITTAL

The Book of Abstracts-in-Depth, which will be given to participants at registration, will be reproduced directly from your manuscript. Abstracts must be produced to fit 8,5 by 11-inch paper. The text, together with tables, equations and illustrations, must fill no more than one page, in 2-column layout (as in this accompanying example).

SUBHEADING

Authors are required to supply Abstracts-in-Depth as computer files (ideally as PDF format files). Submissions can be received via e-mail at the Conference Secretariat (icce2010@nhri.cn)

SUBHEADING

The official language of the conference: English. Paper Format: 8,5 by 11 inches, portrait. Margins: All the margins should be one inch. Columns: main text in two columns, justified; equal column width. Spacing: before and after: 0 pt; line spacing: single. Font: for the title: size 12 Microsoft Sans Serif, capital letters, bold; for the names of the authors: size 9 Microsoft San Serif, regular; for the text: size 9 Microsoft Sans Serif, regular. Page numbering: no page numbers. Title: leave no blank line between the title and the paper top margin; the title must be in capital letters, page-centered; maximum of two (2) lines and/or 70 total characters for the title. Name(s) of authors(s): leave 1 blank line after the title; the name of the authors and their affiliations must be presented as succinctly as possible, including the e-mail address of each author; leave one blank line before the main text. Main text: in 2 columns, one page only, including figures and tables; paragraphs separated by one line. Footnotes: do not use footnotes. Figures and tables: include the figures and tables precisely in the place you want them.

SUBHEADING

Mathematics: equations should be typed into the body of the text, or incorporated as an equation editor or graphic object; equations should be numbered. Bibliographic references: in the text, indicate the last name of the author (no initials, please) followed by the year of publication in brackets; if there are several references of the same author in the same year, use a suffix a, b, .. after the year; make a list of references at the end of the text sorted by alphabetic order of the last name of the first author, followed by the names of the co-authors (if any), editor, place and year of publication (or complete reference of the journal where the article or paper was published). File format for submission: use PDF format (size must be less than 2 MB); identify the files as "Abstract_<number of your abstract>.pdf". Send to the Secretariat by no later than April 1, 2010 by e-mail: 1) the PDF file of your abstracts-in-depth;

2) a PDF file of the Copyright Transfer Form duly filled out. e-mail: icce2010@nhri.cn

If you have any queries on the preparation of your abstract, please contact the Secretariat of ICCE 2010 by e-mail: icce2010@nhri.cn.

ATTENTION

Please note that this example of the one-page Abstract-in-Depth is a style sheet, which makes the work much easier. Please do not try to include more text on the single 8,5 by 11 inch page than the space provided by this instruction. If your one-page abstract does not comply with this instruction, it will be refused.

REFERENCES

Surname no initials please (year of publication in brackets 2007):

- a) If there are several references of the same author in the same year, use a suffix a, b, .. after the year, German Coastal Engineering and Research Council, Die Küste 75, Germany
 - b) Title, German Coastal Engineering and Research Council, KFKI-aktuell 2/2007
- Co-author (2006): Title, German Coastal Engineering and Research Council, Die Küste 70, Germany
